Yamaha NMAX 125 2021

One with the city

£3,295 ^{+OTR}
from £64.87 p/m

Now is the time to re-consider the way you move around the city and the all-new NMAX 125 is Yamaha's vision of new independent mobility. Driven by a lively and economical Blue Core 125cc EURO5 engine that can take you around 300 km on a tank of fuel, this easy-to-ride commuter scooter comes with premium finishing's and a high specification at an affordable price. The NMAX 125's sporty and dynamic new body features sleek front and rear LED lights and an aerodynamic fairing that offers better protection from the wind and rain. An all-new chassis gives improved manoeuvrability in busy city traffic – and the easy ergonomics make this the most comfortable way to get around. And you'll be amazed at the high-tech that comes as standard! The NMAX 125's Communication Control Unit (CCU) pairs via Bluetooth with your smartphone to give you access to important information – and features like the Smart Key keyless ignition, power socket and underseat storage make everyday life so much easier. At a glance: - 125cc EURO5 Blue Core engine - Sporty new body design - CCU Communication Control Unit - Smart Key System - Newly designed frame - Traction Control System - Start & Stop - Underseat storage space - Larger LCD instruments - Power socket and front pockets - Front and rear disc brakes, with ABS
