## Yamaha NEO'S 2022

Move Smart

**£2,795** +OTR

**from £58.31 p/m**

0% APR finance available on this model until end of June 2024. This is an ideal time to consider efficient new urban mobility solutions. The way everybody moves around the city is undergoing a massive transformation as people turn away from congested public transport and look for a simple and accessible way to live, work and move in the city. And the new NEO's is ready for you! Yamaha has been developing and producing electric vehicles for three decades – in addition to being recognised as one of the world's most respected high-quality scooter manufacturers – so you can be sure that the stylish new NEO's comes with an attractive design, the latest technology and first-class reliability. Comfortable, agile and easy to ride, this new generation Yamaha scooter is powered by a lithium-ion battery and driven by a hub-mounted electric motor that gives you strong and controllable acceleration – but with zero emissions and a super quiet ride! New NEO's: Move Smart. At a glance: - Smooth, quiet and efficient electric power - Direct drive hub-mounted electric motor - Quick and controllable acceleration - Universal riding position for any size and experience - Removable Yamaha lithium-ion battery - Selectable ride modes - Ultra-quiet running - Simple, compact and universal styling - Connectivity via Yamaha MyRide app - Jet helmet underseat storage - Stylish and easy-to-read LCD instruments - Smart Key keyless system - Full LED lighting
